FREEDOM

Freedom - Isn't it wonderful - Blessed by God!
and That we still have a choice.

We missed seeing you, but blessings to you
& your staff in your service to us Seniors

October 30, 2015

Dear Fred,

Recently my sister and I was at your Senior Care
office in Merrillville. I just wanted to drop you
a note to let you know that we were well received
and greatly helped by Tina Shaboy. She was most
helpful and knowledgeable in helping us in
making changes in our Medicare Supplement and
Drug Plan.

I just wanted to let you know how much
we appreciated her help in these somewhat
confusing decisions.

Sincerely
Linda
